"The Palette of Colombia"

Bill Griggs, a resident of Raleigh, NC, has had the fortune to travel to Colombia, South America on several occasions. These trips have given him the opportunity to photograph a country with majestic scenery, native peoples, and cities of colonial and 21st century architecture. Places such as Catagena, Santa Marta and the Bogota region. Bill shares these images with you in his body of work titled

"The Palette of Colombia."

Bill makes his own prints using the latest inkjet printing techniques that produce high resolution, long lasting archival images of museum and gallery quality work, using only archival grade acid-free materials.

With his business, PamOr Fine Print, based in Raleigh, N.C., Bill offers services such as high quality digital photo and fine art giclée printing, commercial printing, photo restoration and graphic design.
